

HOTEL SchANI Salon

The boutique hotel in the heart of Vienna

At Hotel Schani Salon we take our guests on a trip back in time to the Vienna Modern. The hotel is located in the middle of the bustling Mariahilfer Straße. In a quiet Art Nouveau building on the city's most famous shopping street, it offers a place to relax and chill. The 24 themed rooms were inspired by great minds and artists of the modern era, such as Sigmund Freud, Otto Wagner and Gustav Klimt.

Our bar is the centre of the hotel where we revived and reinterpreted the Viennese salon culture. It is a place not only for hotel guests, but also for Viennese people to get together and to get inspired.

— Location and arrival

Hotel Schani Salon is located in the middle of the lively Mariahilfer Straße, surrounded by numerous stores, boutiques and restaurants. An underground station is situated directly next to Hotel Schani Salon. From there the U3 subway will take you to the city centre in just a few minutes. The airport can be reached in 40 minutes. The nearest parking garage is a 5 minutes' walk from the hotel.

— Rooms

Each of the 24 rooms is individual in its own way. Some rooms overlook the lively shopping street, while others offer a view of the quiet courtyard. Some rooms have a living area with a comfortable sofa, while others offer a small kitchenette. All rooms, however, have one thing in common: plenty of comfort, with small and subtle details that complete the journey back to the Vienna Modern.

— Bar

In the bar, which forms the heart of the hotel, we revive Vienna's salon culture. Just like the great poets and thinkers of the turn of the century, we love spending hours philosophizing. That's why the bar at Hotel Schani Salon is the perfect meeting place for Viennese locals and hotel guests to come together, discuss a variety of topics, and enjoy delicious drinks.
