

International Flair Meets Viennese Charm

In the shadow of the Vienna International Center, surrounded by skyscrapers and the Danube, we have created a meeting point for the whole world. At Hotel Schani UNO City, you never quite know who you might run into: Holidaymakers relaxing in the cozy garden, business-people from around the globe working in the hidden corners of the lobby, or perhaps a mysterious new acquaintance enjoying the view of the UNO City with a drink at the Seven Botanicals Bar & Kitchen.

One thing is certain: Hotel Schani UNO City has something for everyone – from 202 rooms to a bar with a trendy food concept and event spaces for up to 100 people.

— Location and Arrival

Hotel Schani UNO City is located in Vienna's Donaustadt district, directly across from the Vienna International Center and right by the "Kaisermühlen VIC" metro station. The U1 metro line will take you to Vienna's city center in just 20 minutes. You can park your car in our private parking garage.

— Rooms

Are you looking for both modern design and comfort, as well as sustainability? Then, you will feel even more at home here: we save large amounts of energy in our rooms with the help of infrared sensors. This is just one of many sustainability measures we have implemented in order to protect the environment. However, we do not save when it comes to comfort: that is why you will find cosy beds and rainfall showers in every room.

— Breakfast

There's nothing better than starting your day with a delicious breakfast! That's why our breakfast buffet offers a wide selection of seasonal and regional products in organic quality, best enjoyed in our garden on sunny days.

— Seven Botanicals Bar & Kitchen

With the Seven Botanicals Bar & Kitchen, we have brought the big, wide world to Vienna's Donaustadt district.
