

HOTEL SchANI UNO CITY

Coming Q1 2024: Hotel Schani UNO City Wien

At our new Hotel Schani UNO City, international flair will meet the typical Viennese charm of all the Schani Hotels. Modern design, high-quality fixtures, fittings, and equipment plus a bar with a trendy food concept create a special atmosphere for the comfort of business guests, congress participants and holiday guests alike.

With the spacious lobby, generous event rooms and a cozy garden, the Hotel Schani UNO City will become a place where business and leisure can be combined in one location at the same time.

Breakfast & Bar

The hearts of the Viennese beat for good food – and this already begins at breakfast. That's why we also celebrate this morning ritual copiously at Hotel Schani UNO City Wien and serve the best organic treats from the region.

Because culinary delights should not be neglected during the rest of the day, we have created a meeting place for hotel guests and Viennese at our lively bar. And who knows, maybe you will meet new friends or future business partners over a snack and a glass of wine.

Seminar Rooms

From company conferences, seminars, and christmas parties to birthday celebrations: The seminar and event areas at Hotel Schani UNO City offer space for up to 100 people.

And because an event is only really successful when the food tastes good, we tailor the catering for celebrations, seminars and workshops entirely to your wishes.

Our guests enjoy their seminar breaks in the fresh air in our quiet Urban Jungle.

Smart Equipment

Because time is precious when travelling, everything from booking to check-out is done via your smartphone. Before you even arrive at the hotel, you can check in via your mobile phone – and you can also download your room key directly to your smartphone.

In all 202 rooms and family suites, we use a variety of smart technologies that make your stay as pleasant as possible and at the same time help us to make our hotel even more sustainable.
