

HOTEL SchANI WIEN

The smart hotel with Viennese charm

At Hotel Schani Wien, the traditional and the informal greet guests as one. While in the lobby the Viennese coffee house is interpreted in a modern way, the 135 rooms and our garden invite you to relax. Our event locations offer plenty of room for productive seminars as well as exuberant celebrations.

What makes us unique? A lot of Viennese charm! Combined with many digital solutions, which help us to make your stay as comfortable as possible. With the mobile check-in and the room key on your cell phone, Hotel Schani Wien is the ideal hotel for modern travellers who like to keep up with the times and at the same time want to experience Viennese charm up close.

— Location and arrival

We are located directly next to Vienna Main Station. From there it takes only 20 minutes to get to the airport. The tram line D stops right in front of our door and takes you to the city centre in just a few minutes.

Are you arriving by car? In our own parking garage you will find parking spaces as well as two e-charging stations.

— Rooms

Our smart rooms are equipped with comfortable beds, XL showers and large windows with a cushioned window-sill. Do you need more space? Our Smart Maisonette rooms are ideal for families and trips with friends, as the couch can be converted into an extra bed.

— Breakfast and bar

At our breakfast buffet you will find a large selection of seasonal and regional products, which you can enjoy in our garden during the summer months. We serve small snacks and delicious refreshments at the bar 24/7 so you can get good food and delicious drinks throughout the day.

— Seminars and events

At Hotel Schani Wien you will definitely find the right location for your event. Our seminar rooms on the ground floor with direct access to our garden and on the rooftop with a private terrace offer space for up to 140 people. Our Boardroom is ideal for small meetings with up to 7 people. And because an event is only really successful when the food tastes good, we are happy to tailor the culinary refreshments during the break entirely to your wishes.

— Coworking

In the gallery above our lobby, fully equipped workstations are available for you to rent as a Fix Desk or Flex Desk. For our hotel guests, the use of the coworking space is free of charge. Our spacious lobby offers more than enough space to concentrate on work as well.

— Smart equipment

At Hotel Schani Wien a lot of things are done via your smartphone. Before you even arrive at the hotel, you can check in via your mobile phone and you can also download your room key directly to your smartphone. Checking out is easy as well. We will simply send you the invoice via e-mail.
